## Enhanced Care Management (ECM)

Enhanced Care Management (ECM) offers free services to help you get the care you need. You keep your Medi-Cal benefits and your current providers and doctors stay the same. ECM offers an extra layer of support.

### Services Include:

#### Resource Connection

Assistance finding and applying for housing, food, and other benefits

#### Appointment Assistance

Help with finding a provider, making appointments and best utilizing your appointment time

#### Medication Management

Better understand your prescription medications

#### Hospital Follow-ups

Assistance with follow-up care and services after a hospital visit

#### Transportation help

Help with transportation to medical appointments

#### Community Supports

Connection to community supports and programs

**We prioritize your well-being.**
